HERALD OF TRUTH

Radio and Television Programs

December 18, 1967

Mr. and Mrs. Jimmie Lovell
P. O. Box 146
Palos Verdes Estates, California

Dear Vivian and Jimmie:

Thank you so much for your sacrificial contribution to our Herald of Truth radio ministry. Your \$56 will supply a weekly 30 minute broadcast in Ghana over GBC-2. This is one of two stations, the only commercially operated station in Ghana, that blankets the entire country of Ghana and much of West Africa. I personally believe that this is one of the finest "buys" of any possible mission work in the world. We are receiving a tremendous mail response and are reaching many souls with this broadcast.

Thank you, Jimmie, for your prompt reply to my request for authorization to represent Action in Viet Nam. I would like to have possibly one further similar short statement from you, specifying that I am now authorized to represent Action in Viet Nam. You might include in that statement that, as an associate editor of Action, I have been commissioned by the paper to study, to visit with American troops and to write articles (to gather material for articles would be better) regarding the spiritual values and attitudes of American troops serving in Viet Nam.

I don't know that this specific authorization will be necessary but I would like to have it in case it is.

I regretted to hear that you were entering the hospital, and that tests were necessary. I hope that all the tests are favorable and that you are out in a very few days. I hope that Vivian will keep all of us informed if there are any problems. We are praying for your physical well-being. May God bless you both in 1968, even as He has so bountifully in the past.

Fraternally yours,

John Allen Chalk (by hm)
